

# COMMUNITY LIFE GARDEN WISH LIST

**(New or Used)**

Please email [david@communitylifegarden.org](mailto:david@communitylifegarden.org)

We need a small tractor to help prepare the land as we expand our garden. New or used as long as it runs.

A small trailer for the tractor.

Garden Wagon

It would be great if the tractor came with attachments! They help dig, till the ground, and carry.

A rotor tiller for the garden plots.

Wheelbarrows

Rakes, Shovels and Hoes

Hand Tools, Buckets and Gloves

Garden soil, compost and mulch

Garden hoses of any kind or color.

Lumber: Treated or untreated, 2x4s, 2x6s, 4x4s of any size to build garden plots and shade structures.
